About us

The Chartered Insurance Institute (CII) is a professional body dedicated to building public trust in the insurance and financial planning professions. Our 125,000 members commit to high professional standards and continuing professional development.

We work with businesses to develop bespoke, company-wide solutions that ensure competitive advantage by enhancing employees' technical and professional competence.

Success in CII qualifications is universally recognised as evidence of knowledge and technical expertise.

Our members are able to drive personal development and maintain their professional standing by adhering to our Code of Ethics and by accessing a range of learning services.

InsuranceAssess

The must-have online training, testing and technical competency solution bought to you by the Chartered Insurance Institute

insuranceassess.cii.co.uk

Developing your business capabilities

Insurance Assess is a valuable must-have tool for organisations looking to develop their staff potential and business capabilities in a rapidly evolving insurance landscape.

With over 100 online courses, including technical and soft-skills, teams will be equipped with the knowledge and skills to fulfil existing and future role requirements.

Insurance Assess allows you to progressively evaluate and gain real insight of your team's knowledge and competencies.

Key benefits

Comprehensive online assessment for all levels of experience and knowledge, making it easy to manage staff learning pathways.

Over 100 courses and assessment questions to meet your training and development needs.

Automatic reporting and analytics sent directly to your PC or mobile device, helping you evidence training and competency within your business.

Monitored and available 24/7 on desktop, laptop, tablet or smartphone.

Three tier learning model

Insurance Assess is built on a three-tier learning model, each comprising course modules to grow technical competence, knowledge and confidence at each level. Teams can progress at their own pace, completing end of course tests to cement learning.
